Print Data:

If you want us to print your personal design or layout, we need the following data:

- Company logo as - EPS or printable PDF
- Company logo as - CMYK tone

If you send us a ready-to-print file, we need the following:

- Ready-to-print file as EPS or printable PDF
- Writings changed into font paths
- Cutting edges should always be 2 mm bigger than the actual layout
- Design needs to be frameless

Ordering Procedure:

Please fill out the order sheet and mail or fax it to us.

We will contact you as soon as we have received your sheet and will talk to you about your ideas and wishes for your individual wheel of fortune.

Our graphic designer will create a layout and will mail it to you. After you have applied your changes and gave permission to print, we will start printing it.

Only if you are a 100 percent satisfied with the design we will start working on your personal wheel of fortune.
